

# MONKECOIN

## WHITEPAPER

**M****NKEC****IN**

## ABSTRACT

Welcome to the Monkecoin Ecosystem, a revolutionary blend of finance and fun. This whitepaper provides a comprehensive overview of Monkeverse, featuring Monke Royale, Monkeswap, and MonkeWallet. Dive into the details of Monkecoin's applications and the exciting opportunities it presents.

# INTRODUCTION: MONKECOIN AND ITS VISION

## Vision

Monkecoin seeks to create an engaging and sustainable ecosystem, offering users a unique blend of competitive gaming, decentralized finance, and secure mobile storage through Monke Royale, Monkeswap, and MonkeWallet

## Monke Royale: Battle for Monkecoin Dominance

Explore the adrenaline-pumping Monke Royale, where participants compete in a thrilling battle royale for Monkecoin rewards. Will you emerge victorious and claim your stake in the jungle's treasure?

## **MONKESWAP:** **MONKE ONBOARDING EMPOWERED BY MONKECOIN**

Discover the power of Monkeswap, our dapp designed for both crypto enthusiasts and beginners. Engage in farming, liquidity provision, and seamless token swaps with lower fees and enhanced LP rewards.

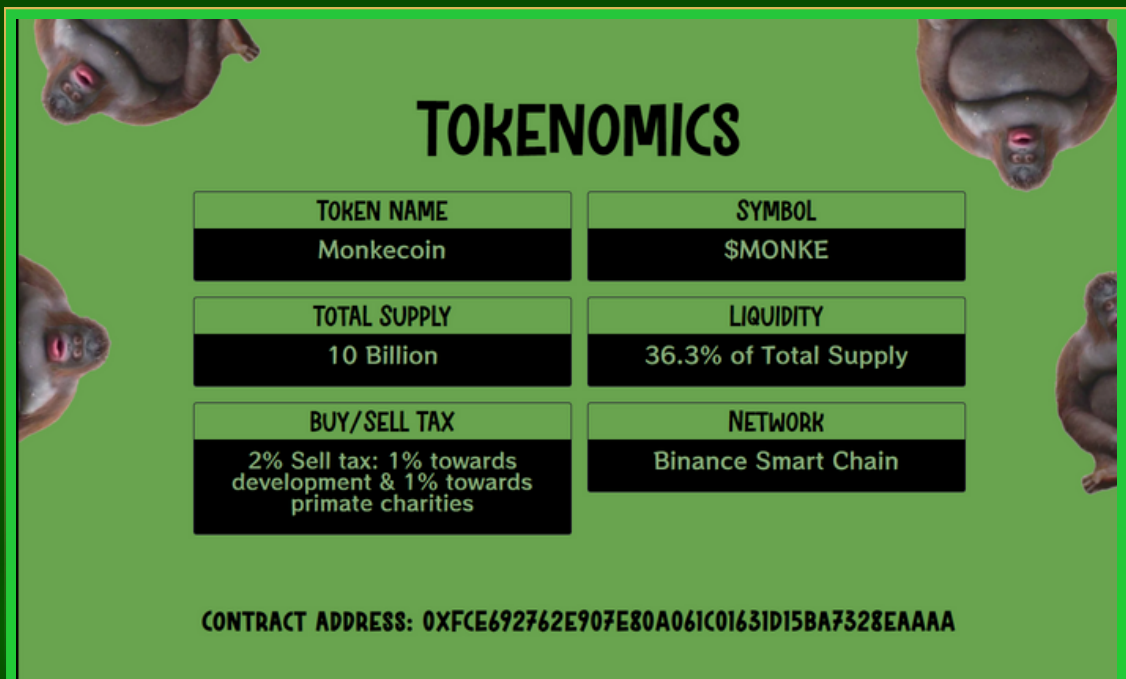

## **MONKEWALLET:** **SECURE AND PLAYFUL MOBILE STORAGE**

Hold \$MONKE in your grasp with MonkeWallet, a user-friendly crypto wallet available on iOS and Android. Safeguard your Monkecoin securely while enjoying a dash of monke memes on the go.

# PRIMATE CONSERVATION AND TOKENOMICS

At the heart of Monkecoin lies a dedication to making a positive impact. With no team tokens and a limited supply of 10 billion coins, Monkecoin ensures fairness and transparency. We believe in our fair launch, with 36% allocated to liquidity and 64% to presale. This embodies the true spirit of Monkenomics.

**TOKENOMICS**

<b>TOKEN NAME</b> Monkecoin	<b>SYMBOL</b> \$MONKE
<b>TOTAL SUPPLY</b> 10 Billion	<b>LIQUIDITY</b> 36.3% of Total Supply
<b>BUY/SELL TAX</b> 2% Sell tax: 1% towards development & 1% towards primate charities	<b>NETWORK</b> Binance Smart Chain

**CONTRACT ADDRESS: 0XFCE692762E907E80A061C01631D15BA7328EAAAA**

# TECHNICAL ARCHITECTURE: ENSURING SECURITY AND EFFICIENCY

Explore the technical backbone of Monkecoin, ensuring security, transparency, and efficiency across the Monkeverse ecosystem. Dive into the details of our blockchain technology and smart contract implementations with our bug bounty programs and open channels of communication with our dev team.
